Other Information

Leslie was an integral part of the active BYF (Baptist Youth Fellowship) in the mid 70's. Under Reverend Bob Melton, the youth performed musicals, attended an international BYF meeting in Portland and grew spiritually. Leslie, feeling called into mission work, started studying nursing because she thought that only nurses could be missionaries. Hating nursing, she transferred to Marshall for an education degree. There she met David, who was also called to mission work. After the death of her father Ray Snider, they decided to go immediately to the foreign mission field.
