Love Packages

Filling Eager Hands with the Word of God

Love Packages is a ministry aimed at putting Christian literature and bibles into the hands of people around the world. Christians across the USA send bibles, SS materials, books, etc. Love Packages sends them to ministries in many poor countries to distribute to people hungry for the Word of God. These materials would have sat collecting dust on shelves or been thrown away. Now they are being used to reach souls for Christ, to train Christian leadership and to encourage and build up the Church.
